

Zentrale Hochschulbibliothek opens its doors with restrictions

Dear users of the ZHB,

the ZHB resumes operations with restrictions. Please note the ZHBs [hygiene concept](#) (in german) and the following restrictions:

- › On **Thursday, 28.05.**, **Friday, 29.05.**, and **Saturday, 30.05.**, Master's students can borrow media for their final semester.
- › On **Tuesday, 02.06.** and **Wednesday, 03.06.**, Bachelor students of EUF in their final semester as well as all students of FUAS can also borrow media.
- › **As of 04.06.** the library will be open to everyone, subject to the access and service restrictions.

On 05.06.2020 the suspension of the reminder fees for media whose loan period has expired, which has been granted in the meantime, will end.

Please note that you can pick up **reserved media** at the earliest 24 hours after receiving the notification.

We are looking forward to welcoming you again soon in a restricted environment. As soon as the official requirements allow us to provide further services, we will quickly expand our range of services and publish this on our website.

The ZHB's e-media offer is still available to members of the European University and the Flensburg University of Applied Sciences and is continuously extended. Further information on newly licensed media can be found [here](#).

You can access e-books, e-journals and databases from any location via VPN. Information on VPN and e-media can be found in the [e-media leaflet \(in german\)](#) or in the online courses of the ZHB on the e-learning platforms of the [EUF](#) and [FUAS](#).

If you need information or have any questions, please send an e-mail to info@zhb-flensburg.de

Subject to change without notice.
