

## E-Books

The Campus Library offers an ever growing number of e-books. Like all other materials, you can find them in the [catalogue](#).

This kind of electronic media is accessible from the internet workstations in the reading room; for members of both Flensburg universities using the WiFi on campus and [VPN](#) off campus.

Members of the Europa-Universität Flensburg can also use Shibboleth for authentication. You can find more information [here](#).  
Please note: not all e-resources are available via Shibboleth.

### Open Access e-books:

#### De Gruyter Open

[Directory](#) of freely accessible scientific electronic journals and monographic publications from all subject areas. Freely accessible full texts (Open Access) provided by the De Gruyter publishing house.
