

Shelf-marks and what they mean

Shelf-marks are always based on a classification system. The system used by the Campus Library is the [Regensburger Verbundklassifikation \(RVK\)](#) (in german only).

A brief introduction to shelf-marks: minus plus bracket = what?

The final line of many shelf-marks includes minuses, pluses or brackets. These are often misinterpreted, so please read this explanation to avoid any misunderstandings.

-3 = third volume

+3 = third copy

(3) = third edition
