You can send print jobs from any ZHB research- and internet-PC to KIM-Ausdruck. Printing directly from USB to the copier is limited. Only PDF files and image formats are supported.

It is **not** possible to print from your own laptop that is connected via WiFi!

The photocopiers/printers are located:

- › in the copying room on the second floor north,
- › in the copying room on the first floor north,
- › and in the basement in room ZHB 017.

More information about the new copying system KIM is available [here](#).
