ZHB-Citavi: Reference Management with Citavi

Throughout the campus "[Citavi](#)" is used as a reference management programme. You can [download](#) Citavi to your personal computer at no charge. Depending on which of the two Flensburg universities you are a member of, please use the respective licensing option of [Flensburg University of Applied Sciences \(FUAS\)](#) or [Europa-Universität Flensburg](#).

You can find further information on reference management programmes in this [annual comparison](#) of these programmes (in german only).

The Campus library offers an

Introduction to the reference management programme "Citavi"

The following topics will be covered:

- » What are reference management programmes?
- » How do I obtain the campus licence for Citavi?
- » Which applications are useful for my studies?

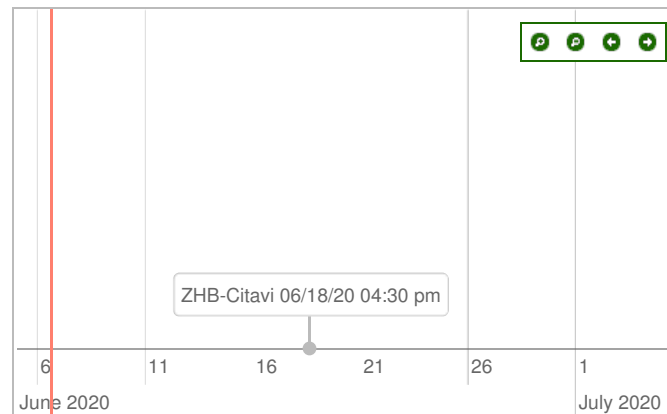

Previous knowledge is not required as this course is designed for new students.

The course lasts: 60 minutes

Meeting point: in the lobby at the service desk

There is no need to sign up for the guided tours. Please select one of the dates offered and just come along. Participation is free of charge. For classes, seminars, tutorials, etc. we can offer a library tour upon request. When scheduling, please give notice at least one week in advance.
