ZHB-Basic: Introduction to searching for and obtaining literature

A crash course in catalogue search and literature search for anyone interested without any background knowledge.

The following topics will be covered:

- › How can I search more efficiently for specific subject-related literature?
- › How can I order media from other libraries?
- › How do I use data bases?

The tour lasts: 30-45 minutes

Meeting point: in the lobby at the service desk

There is no need to sign up for the guided tours. Please select one of the dates offered and just come along. Participation is free of charge. For classes, seminars, tutorials, etc. we can offer a library tour upon request. When scheduling, please give notice at least one week in advance.
